

Cinderella®
Incineration Toilets

SETTING THE STANDARD

Cinderella Eco Sales, a family-owned company from Midsund, Norway, has been a leader in water-free incineration toilets for over 25 years. As part of the historic Sjøvik Group, we create and produce sustainable sanitation solutions for a wide range of markets worldwide, setting the standards for quality and innovation.

CINDERELLA TRAVEL

IDEAL FOR RECREATIONAL
VEHICLES, CARAVANS, TRUCKS,
HORSE FLOATS, TINY HOUSES
AND HOUSE BOATS IN AUSTRALIA

Campers

Recreational Vehicles

Horse Floats

House and Narrow Boats

Trucks

Energy source: Diesel

Capacity: 3 - 4 visits pr hour

Cinderella Travel is designed for transportation options like Recreational Vehicles, Campers, Trucks, Horse Floats, Tiny Houses and Houseboats. It offers a hassle-free, Water & Chemical free way to manage waste, and eliminates the need for emptying at external waste facilities. Made in Norway, these toilets are known for their durability, high capacity, and eco-friendly design.

Cinderella Travel builds on the success of Cinderella Eco Sales' incineration toilets, first introduced in 1997. The system operates using diesel and 12V control power, providing a hygienic and efficient waste disposal solution on the road.
